

Scottish Materials Brokerage Service

Update No 14 | 03 April 2017

Residual

- *The negotiation meetings with suppliers are progressing well.*

Mixed Recyclates

- *Site visits and early customer engagement nearing completion. Outputs from these discussions will inform the UIG on 25 April 2017.*
- *A Strategic Options paper was presented to the Board on 09 March 2017. This paper was endorsed and options arising will form the basis of discussions at the UIG.*
- *Invitations to the UIG have been sent. Please contact the brokerage mailbox if you have not received one.*

Source Separated - Glass

- *Glass – Fair market price analysis completed and Board Paper issued on 09 March 2017. The Board requested further clarity and the paper is being redrafted.*
